Organize your team now!

Registration open May 2, 2011

FIRST® LEGO® League (FLL) is an exciting global robotics and innovation program that ignites an enthusiasm for discovery, science, teamwork and technology in kids ages 9 to 14.

Students have the opportunity to solve real-world challenges by building LEGO-based robots to complete tasks on a thematic playing surface. FLL teams, guided by their imaginations and adult coaches, discover exciting career possibilities and, through the process, learn to make positive contributions to society.

Who participates in FLL?

- Kids ages 9-14 self-organize into teams of 3-10 members.
- Coaches can be parents, teachers or volunteers.
- Teams recruit mentors and volunteers to advise and support them.

2011-2012 season timeline

- Online registration opens May 2, 2011.
- Food Factor challenge released to teams Sept. 2, 2011.
- Build season October to December, 2011.
- Regional Qualifying Tournaments held early January, 2012.
- Utah Championship Saturday, Jan. 28, 2012.

Let’s do it!

For more information about Utah FIRST® LEGO® League, visit our website at www.utfll.utah.edu or contact Anne Bastien at utfll@utah.edu or 801-585-3198. More details about the FIRST® can be found at www.usfirst.org.

How much does it cost?

- FLL recommends that teams budget $850 for the first year and $400-$450 in following years.
- Utah event registration is $75.
